TENANT INFORMATION
From June 1st 2019, as a result of the Tenants Fee Ban Act, tenants will only have to pay limited fees for setting up and concluding a tenancy agreement as well as a limited number of charges during the tenancy.
If you like a property and wish to proceed with it, you will be required to pay a holding deposit of up to 1 weeks rent to reserve the property whilst you complete the necessary application paperwork and provide ID and additional information.
If you are not successful with your application as a result of you providing incorrect information such as earnings or failure to disclose issues in your credit history and subsequently not in a position to move forward with the tenancy within 14 days, this holding deposit will be forfeited.
If the landlord withdraws the property for any reason other than your unsuitability, then the holding deposit will be returned to you.
Other fees which may apply during the tenancy such as loss of keys or replacement security devices (cost of replacement), changes to the signed tenancy agreement (£60 inc VAT), failure to pay rent due (3% above Bank of England base rate interest on arrears) and early release from a signed fixed term tenancy agreement (remainder of rent due for the fixed term plus the landlord's re-letting costs). Pets may be considered on a tenancy at an increased rent, detailed on advertising of the property.
The only charges other than the holding deposit will be rent (1 month in advance) and security deposit (equivalent to 5 weeks rent).
