General Information

Located within a well-served residential area, the property is conveniently located to access nearby amenities, which include: schooling for all ages, two parades of shops and a post office. A range of supermarkets and a large leisure centre are also located close by and there is a regular bus service. The town centre is around 2 miles away and the A14 dual carriageway is within easy reach, giving fast access to Ipswich, Cambridge and London via the M11.

Having been updated and improved by the current owners, the property features several additions not normally found in other homes of the same design. A separate hall provides the lounge with a much cosier feel and the addition of a downstairs cloakroom is certainly beneficial. The kitchen has a comprehensive range of stylish gloss grey fitted units, with plumbing for a washing machine and dishwasher. A timber-framed and attractively clad garden room with glazed french doors has been added to the rear of the house, providing a pleasant breakfast/dining area.

On the first floor, the main bedroom is a good-sized room and features built-in wardrobe storage. Bedroom 2 has been divided into 2 separate rooms by way of a stud work wall, and now provides a reasonably sized bedroom and an office/occasional bedroom (whilst the stud work walls have been plasterboarded, they require plastering, which our vendor is happy to do, prior to the completion of sale). The bathroom features a large walk-in shower.

The property benefits from gas-fired central heating via radiators and Upvc sealed unit double-glazed windows.

As previously stated, the house is being sold CHAIN FREE and would be ideal for first-time buyers, those looking to downsize or indeed a perfect investment opportunity.
