A spacious semi-detached home in a lovely village setting

Occupying a pleasant cul de sac setting within the pretty village of Gedding, this CHAIN-FREE semi-detached house has all the makings of a wonderful family home. The house has been well maintained, and benefits from oil fired central heating and uPVC sealed unit glazing.

The well-proportioned accommodation has lots of natural light, high ceilings and original features such as fitted picture rails. The house is a little dated in places, making it perfect for anyone wanting to put their own ideas into a property whilst significantly adding to its value.

The village of Gedding occupies a semi rural location and is surrounded by open fields and lots of countryside walks. The nearby village of Felsham has a public house, community village shop/post office and village hall/playing field. The thriving market town of Bury St. Edmunds is around 8 miles away and Stowmarket is around 7 miles away and has a mainline rail link to London Liverpool Street.
