## 29 Rembrandt Way, Bury St. Edmunds, Suffolk, IP33 2LR

### **General Information**

The property occupies a very pleasant setting, at the side of a small green, close to a parade of shops and is on a regular bus route.

The town centre of Bury St. Edmunds is around 1.25 miles away and can be easily reached by car, foot or cycleway. Bury St. Edmunds offers an excellent level of recreational, educational and shopping facilities.

We loved everything about this bungalow and are confident you will too. Whilst it will certainly need some updating, the property offers very well proportioned rooms with lots of natural light giving the bungalow a bright and very welcoming feel.

The bungalow has gas-fired central heating and uPVC sealed unit glazing – so potential buyers could simply just move in and make some cosmetic improvements, however, in our opinion the property also offers huge potential and is therefore ideal for those people who are keen to 'put their own stamp' on a property whilst significantly increasing its value.

A few ideas for enhancing the existing accommodation could include: making the kitchen and dining area into one larger space, installing bi-folding doors into the sitting room to make the most of the private gardens or even looking at the possibility of putting additional bedrooms in the large roof space.

#### Outside

The bungalow is set back from the road with sizable front gardens bordered by hedging. A long driveway provides extensive parking and access to the single garage. The remainder of the front garden has recently been cleared and would be ideal for anyone looking to add further hard landscaping to provide parking for a caravan or motorhome.

A side access leads to the enclosed rear gardens which afford a very good degree of privacy and are laid mainly to lawn with a sunny patio area.
