The property has been fully renovated over the last 5 years by the present vendor and now offers a very comfortable range of accommodation which is served by gas fired central heating and uPVC sealed unit glazing. In addition to replacing windows, boiler and heating the owner has also installed a stylish kitchen, contemporary bathroom and cloakroom.

On the ground floor: The entrance hall leads to the sitting room and separate dining room. The sitting room is a very well proportioned dual aspect room with french doors that open up into the gardens and an attractive fireplace with woodburner. The dining room has 2 large built-in cupboards and opens into the modern kitchen which includes ample appliance space and an integrated oven, hob and cooker hood. There is a further door to the outside and also a door into the cloakroom.

On the first floor: A bright and spacious landing area leads to all 3 bedrooms and the refitted bathroom. Bedroom 1 is a large double room and includes a wall of fitted wardrobes with sliding doors. Bedrooms 2 and 3 are both large enough for double beds if desired.

### Outside

The gardens to the front of the house have been hard landscaped to provide parking for at least 3 cars. A side access leads to the enclosed rear gardens which enjoy a west facing aspect and are of a very good size. Laid extensively to lawn and enclosed by fencing, the gardens afford a good degree of privacy and include a full width patio – providing the perfect space for entertaining. To the far end of the garden partially hidden from sight are 2 large timber sheds/workshops and a separate log store.
