The bedrooms are thoughtfully arranged in a separate wing, creating a sense of privacy. The principal bedroom benefits from an en-suite shower room, while bedroom two features fitted wardrobes. This space flows seamlessly into the dining room, which can either be accessed independently or opened up to create a large, versatile entertaining area - perfect for both everyday living and hosting guests.

Outside

The bungalow is set back well from the road with a lawned front garden and a driveway providing extensive parking and access to the detached single garage. The front gardens also enjoy views across open countryside.

To the side of the house is another area of lawned garden, this time bordered by mature hedgerow (hence the name!) and fruit trees. The rear garden offers gated access to the front of the property, as well as access to the summer house and single garage with power.
