## A STUNNING HOME, IN A LOVELY VILLAGE SETTING

### IMMACULATE INSIDE AND OUT

From the moment you step inside this lovely house, you will appreciate that it has been extremely well looked after. The accommodation, which benefits from uPVC sealed unit glazing, has a bright contemporary feel, whilst still being warm and very welcoming.

During our vendor's ownership, the property has been rewired and the heating system has been updated with the inclusion of a new oil-fired central heating boiler. A water softener has also been fitted.

The house occupies an established and sought-after village setting and is, in our opinion, perfect for anyone looking to just move in and put their furniture down.

Whepstead is a small, but very picturesque village, located around 4 miles south west of Bury St. Edmunds. There is a popular public house/restaurant in the village together with a community centre and church.

- Beautifully presented semi-detached home
- Updated electrics and central heating
- Lovely open plan ground floor layout
- Stylish refitted kitchen, smart bathroom
- 3 good sized bedrooms
- Off road parking for several vehicles
- Attractive gardens with summer house

On the ground floor: An entrance hall, with a storage cupboard, gives access to the cloakroom and sitting room. The sitting room is a lovely bright room which opens into the kitchen/diner and features an attractive free-standing wood-burning stove. The smart refitted kitchen includes ample cupboards, worktop surfaces and appliance space. There is a breakfast bar and glazed french doors lead out to the sizable patio.

On the first floor: The landing area features 2 light tunnels and leads to the smart bathroom and all 3 bedrooms. Each bedroom is large enough to be used as a double bedroom and bedroom 1 has a built-in wardrobe.

#### Outside

A large block paved driveway provides ample parking for several vehicles and there is gated access to the rear garden. The enclosed split-level rear gardens have been attractively landscaped and are mainly laid to lawn with flower and shrub borders and a large patio terrace, providing the perfect space to relax. A timber summer house, with power connected, is situated at the rear of the garden and there is also a timber shed.
