General Information

The bungalow occupies a pleasant non-estate setting on the western outskirts of the town. It is within comfortable walking distance of a parade of shops and the town centre is around 1.25 miles away providing an extensive range of shopping and recreational amenities.

Whilst the property does benefit from gas fired central heating and upvc sealed unit glazing, it will require updating and refurbishment, making it particularly suited to those people who would prefer to put their own ideas into a property rather than paying for someone else's. The bungalow is being sold with the benefit of being CHAIN FREE.

In brief, the accommodation comprises: Entrance hall, sitting room, kitchen with dining area, 3 double bedrooms, and a wet room.

Outside

The property is set back from the road with the front gardens being laid to lawn and planted with a variety of mature shrubs. A long driveway provides ample parking. The rear gardens are a little larger than you might first think, with the rear boundary being partially obscured by mature shrubs and trees. The gardens afford a very good degree of privacy and seclusion and include an area of lawn, a patio, a timber shed and a greenhouse.
