General Information

The property is situated close to a parade of shops and is on a regular bus route. The town centre of Bury St. Edmunds is around 1.25 miles away and can be easily reached by car, foot or cycleway. Bury St. Edmunds offers an excellent level of recreational, educational and shopping facilities.

The property was built in 1966 and has been owned since new by the present vendors – testament if needed as to what a lovely bungalow it has been to live in. As previously mentioned, the property is a little dated in some areas but has been well maintained, making it a property you could move straight into and then enhance at your leisure. We understand that the gas fired boiler was replaced in November 2022 and that following a recent electrical survey the electrical system has been upgraded.

The bungalow provides a very comfortable range of accommodation with well-proportioned rooms, enjoying lots of natural light. The sitting room has a dining area to one side and a large picture window overlooking the rear gardens. The kitchen includes plenty of cupboards, worktop surfaces and appliance space. A separate inner hallway gives access to the bathroom and all 3 bedrooms.

Outside

The property occupies a slightly elevated position with the front gardens being laid mainly to lawn with planted shrub borders. A driveway provides ample parking and gives access to the garage.

Although the garage has a single door it is actually as wide as some double garages and includes a large internal workshop with light and power connected.

The rear gardens are a glorious feature of this lovely bungalow and have been attractively landscaped and well stocked. There is a shed/summer house, an extensive patio area and a shaped lawn. The garden includes a variety of mature trees and has ornamental ponds/water features.

Agents note; Probate has been applied for and once granted the property is CHAIN FREE.
