General Information

The property is located on the original part of Moreton Hall. The immediate area is extremely well served with a range of amenities including, primary school, church, public house, coffee shop, post office, doctor surgery, community centre and Tesco Express store. The town centre can be easily reached by car, foot or numerous cycle-ways. The A14 is also easy to access and provides a fast route to Ipswich, Cambridge and London via the M11

As previously mentioned, the property offers a very good level of accommodation and is perhaps a little larger than the front elevation might suggest. In our opinion, the house would be perfect for a growing family or indeed anyone looking for a good amount of space with large established gardens and ample parking.

The house, which benefits from gas-fired central heating and uPVC sealed unit glazing has been owned for the last 30 years or so by the present vendors – a testament if needed to what a lovely house it has been to live in. In recent years the vendors have refitted the cloakroom, shower room and kitchen. There is smart wood flooring running through much of the ground floor and a neutral colour scheme adds to the overall feeling of light and space.

On the ground floor: The entrance hall cloakroom off, leads to the sitting room and kitchen. The sitting room is of a generous size and includes box bay window and a feature fireplace. Double doors lead into the separate dining room. Further doors lead into a conservatory – the ideal spot to relax and enjoy views of the garden.

The kitchen was refitted around 3 years ago and includes ample cupboard and worktop surfaces. There is a built-in oven, microwave, and hob together with an integrated washing machine and dishwasher. There is also a further door to the outside.

On the first floor: A spacious landing area with a built-in cupboard leads to all 4 bedrooms and the family bathroom. Bedroom 1 has a useful en suite cloakroom.

Outside

The gardens to the front of the house have been blocked paved to provide additional parking. A long driveway leads to the detached single garage. A side access leads to the rear gardens which are of a very good size and include a large lawn, shed and patio.

Directions

Leave the town centre along Southgate Street to the roundabout on Southgate Green. Head along Rougham Road towards the A14. Continue under the flyover, taking the first exit onto Moreton Hall then next left into Symonds Road. Take the 3rd right hand turning into Raedwald Drive. The property will then eventually be seen on the left.
