MG
PARTNERSHIP

A great opportunity to own a home of your own in a superb village setting

This well-presented modern terraced home occupies a pleasant village setting and includes a small garden to the front and allocated parking to the rear.

In our opinion, the house would be ideal as a first-time purchase or as a sound investment. The property benefits from electric heating and sealed unit glazing and provides well-planned accommodation, including the main bedroom, which has been subdivided to provide 2 useful separate rooms.

Elmswell is a thriving village, with a strong sense of community and an excellent range of amenities, including a range of shops and a modern sports facility and a community centre. There is a rail link to Bury St Edmunds and Stowmarket, which has a mainline rail link to London, Liverpool Street. The A14 provides a fast route to Ipswich, Bury St Edmunds and Cambridge.

- Attractive modern terrace/quarter home
- Occupying a well served village setting
- Hall, open plan sitting room, kitchen
- Bedroom with dressing room/study area
- Sealed unit glazing, electric heating
- Front gardens and allocated parking
- Perfect first time or investment buy

The property benefits from electric heating and sealed unit glazing and, in more detail, comprises the following:

On the ground floor:

The entrance hall includes a useful storage cupboard and leads into the open-plan sitting room, which provides a comfortable living space and room for entertaining. Leading off the sitting room is the kitchen area, which is fitted with a range of units with ample appliance space.

On the first floor:

The landing includes a built-in cupboard and an access to the loft space, which is mostly boarded. The main bedroom has been subdivided to create 2 separate spaces - a bedroom area with a Velux skylight window and a separate dressing room area, which can also be used as a large home office or occasional bedroom 2, adding flexibility to the accommodation.

The bathroom is of a good size with a white suite including a panel enclosed bath with an electric shower over.

Outside

The property has small gardens to the front. To the rear there is a private allocated parking space, together with further guest parking.
