General Information

The property is located in an established and much sought after location on the popular western side of the town. There are many local amenities close by including, a parade of shops and regular bus service. The town centre is around a mile away and can be easily reached by road, footpath or cycleway.

As previously mentioned, the property has recently been completely refurbished on behalf of the present vendor, who had fully intended to stay, therefore all work has been done to his own exacting standards. Plans change and reluctantly the vendor will be moving on, giving buyers the opportunity to own a house that is like new inside, whilst having the benefit of being traditionally built and offering well-proportioned rooms with lots of natural light.

Improvements to the property have included: re-roofing, re-wiring and re-plumbing with a new boiler and pressurised hot water system. The property has a contemporary styled kitchen and a newly refitted shower room and bathroom. The windows have also been replaced, as have all floor coverings. Finally, the gardens have been re-landscaped to include a smart new driveway.

On the ground floor: A spacious hallway with a large storage cupboard and further utility cupboard, gives access to the kitchen, reception room, ground floor bedroom and refitted shower room. It is worth mentioning that the Sitting/Dining Room is large enough to be divided to provide 2 separate reception rooms or an additional bedroom if required. The kitchen has space for a good-sized table and includes an extensive range of cupboards and worktop surfaces. There is a built-in double oven, hob and hood, together with ample appliance space and a door to the outside. The ground floor bedroom is very spacious and includes a large fitted cupboard, this room would also make an ideal 2nd reception room. Finally, the refitted shower room includes a double shower and having this facility downstairs alongside the bedroom means the property could be used for someone looking for a bungalow with additional bedrooms on the first floor for guests.

On the first floor: The landing area leads to 2 further double bedrooms, each with spacious eaves storage cupboards and both having large built-in wardrobes. The bathroom has been completely refitted with a white suite.

Outside

The property occupies a slightly elevated position with a new driveway providing extensive parking and access to the garage via a useful carport. A side access leads to the fully enclosed rear gardens which afford an excellent degree of privacy and seclusion. Laid mainly to lawn with both a paved patio area and decked terrace, the gardens also include a shed/workshop.
