## General Information

The property is located in an established and much sought after location on the popular western side of the town. The town centre is less than a mile away and can be easily reached by road, footpath or cycleway.

As previously mentioned the property has been updated over the past few years to an impressive standard and is now offered for sale in the first-class condition throughout.

As soon as you walk into the reception hall you get a sense of light and space. An impressive tiled floor flows through the hall, into the smart refitted cloakroom and through to the kitchen. Of particular note is the stylish high gloss fitted kitchen which boasts ample work surfaces, an integrated washing machine, dishwasher and fridge/freezer. The generous 23'5 long sitting room, with gas flame effect fire, has a lovely light feel to it, courtesy of large windows at both ends. There is also ample space for a good sized dining table.

On the first floor is a spacious landing area, again with lots of natural light. The principal bedroom and bedroom two are both good sized doubles and bedroom three is a generous single room or small double. The bathroom has been refitted with a large walk-in shower and features a stylish white suite and attractive tiling to the walls.

The property benefits from Upvc sealed unit double glazed windows, gas fired central heating and a water softener. Whilst the house is already of a very good size, it is worth noting that potential does exist for extension either to the side, rear or loft space.(subject to consent).

### Outside

The gardens to the front of the house are of a generous size and have been beautifully landscaped and are planted with a variety of flowering shrubs set around a shaped lawn. A smart bonded gravel resin driveway provides access to the garage, with power and light connected and ample parking for a number of cars.

A gated access leads to the impressive fully enclosed rear gardens, which have again been beautifully landscaped to a high standard. A generous patio terrace is situated to the rear of the garden providing lots of space to entertain. There is a large area of lawn, vegetable plot and timber garden shed. Immediately behind the house is a covered decked terrace that leads onto a further paved area providing even more space to sit and relax.
