General Information

Borradale Road is located on the ever-popular St. James Park area of Moreton Hall. There are an extensive range of local amenities nearby including a selection of schools, shops, gyms, doctors surgery, post office and community centre.

The town centre can be easily reached by car or cycle path and offers a complete range of educational, recreational and shopping amenities. The A14 provides a fast route to Ipswich, Cambridge and London (via the M11).

This spacious semi-detached house was built in 1996 and has been owned since new by the present owner—testament if needed as to what a lovely house it is to live in. The house was then substantially extended and refurbished in 2016 to include a refitted cloakroom, bathroom and of course the superb kitchen/diner/family room. The house benefits from gas fired central heating, uPVC sealed unit glazing and air conditioning to the first floor.

In brief, the accommodation comprises: Entrance hall, refitted cloakroom, large sitting room with built-in understair cupboard. Kitchen with an extensive range of units, worktop surface, breakfast bar/peninsular unit, integrated dishwasher, double oven and induction hob. Open plan family/dining room with vaulted ceiling, electronically operated Velux windows and bi-folding doors opening into the garden.

On the first floor: The landing area gives access to all 3 bedrooms and the refitted family bathroom. Bedroom 1 has a range of fitted wardrobes, bedroom 2 is another good sized double bedroom and bedroom 3 is a single room which has a built-in cupboard and is currently being used as a home office.

Outside

The front gardens are laid to lawn and are of open plan design. The rear gardens are enclosed by walling and afford an excellent degree of privacy and seclusion. The gardens enjoy a sunny aspect and have been mostly hard landscaped for ease of maintenance. There is an area of artificial grass and a sheltered patio. There is a courtesy door leading into the garage which sits on the rear boundary and has parking to the front.
