# 3 Icepits Close, Great Barton, Bury St. Edmunds, Suffolk, IP31 2PB

## General Information

The bungalow occupies a non estate setting within easy reach of all local village amenities, which include: a superb primary school, post office, general store, church, public house and village hall. The historic market town of Bury St. Edmunds is less than 2.5 miles away, offering excellent facilities.

The property was substantially extended some years ago making it larger than the front elevation might suggest. Over the last 5 years, the present vendors have completely refurbished the bungalow, giving it a contemporary yet very comfortable feel. Improvements have included the refitting of the kitchen, bathroom and en suite, the installation of gas central heating, the re-tiling and insulation of the roof and the installation of engineered oak flooring throughout.

The reception porch includes a large built-in cupboard housing the modern gas boiler and a water softener. The inner hallway gives access to both bedrooms, the refitted bathroom and the kitchen/breakfast room.

The kitchen/breakfast room is fitted with stylish units, a large peninsular unit/breakfast bar and a number of integrated Siemens appliances including a dishwasher, induction hob and 2 steam/combination ovens. Leading off from the kitchen is a spacious sitting room with multifuel fire, a study which could be utilised as an additional bedroom, a pleasant dining room and a separate family room with doors leading out into the garden. The whole of this combined area is flooded with natural light and provides the perfect space for entertaining.

The master bedroom is a dual-aspect room and includes fitted wardrobes and patio doors which open onto the enclosed rear patio. There is a dressing area which includes 2 further double wardrobes and leads into a large and very smart wet room. The guest bedroom is another spacious double room and is opposite the large family bathroom.

### Outside

The bungalow occupies a corner plot position with the main gardens situated to the side. There are a number of mature trees, shrubs and flower borders together with shaped lawn and a lovely raised sun terrace.

A block paved driveway to the front provides ample parking and access to the double garage which has an electrically operated door and a rear courtesy door. The garage could lend itself for conversion into an annexe or additional accommodation (if required and subject of course to consent).

A side access leads to a further garden/courtyard which has been hard landscaped for ease of maintenance and is exceptionally private.
