The property has been thoughtfully extended on the ground floor to create a spacious open-plan kitchen and dining area, perfect for modern living. With enclosed gardens providing privacy and outdoor space, this home is well-suited for couples, young families, or indeed anyone looking for a versatile and well-located property.

The property is offered for sale in good order throughout and benefits from gas-fired central heating and uPVC sealed unit glazing.

On the ground floor: The house has been extended with the addition of a lovely dining/family room, set off the kitchen, featuring a roof lantern and glazed doors opening into the gardens. The stylish kitchen features ample storage and appliance space. There is a good-sized sitting room and a modern bathroom.
