If you have been looking for a property that offers lots of space and a good sized garden, this attractively presented home is bound to be of interest.

Located close to a wide range of amenities including shops and schools, the house benefits from gas fired central heating and uPVC sealed unit glazing. In our opinion, the property would be perfect for a growing family or indeed anyone looking for a sound investment purchase.

Don't miss out, call or email us to book an early viewing.
