## Desirable building plot in a pleasant village setting

An excellent opportunity has arisen to purchase a generous building plot of approximately one-third of an acre (STS), with full planning approval (Ref: DC/24/00081) granted on 10 May 2024.

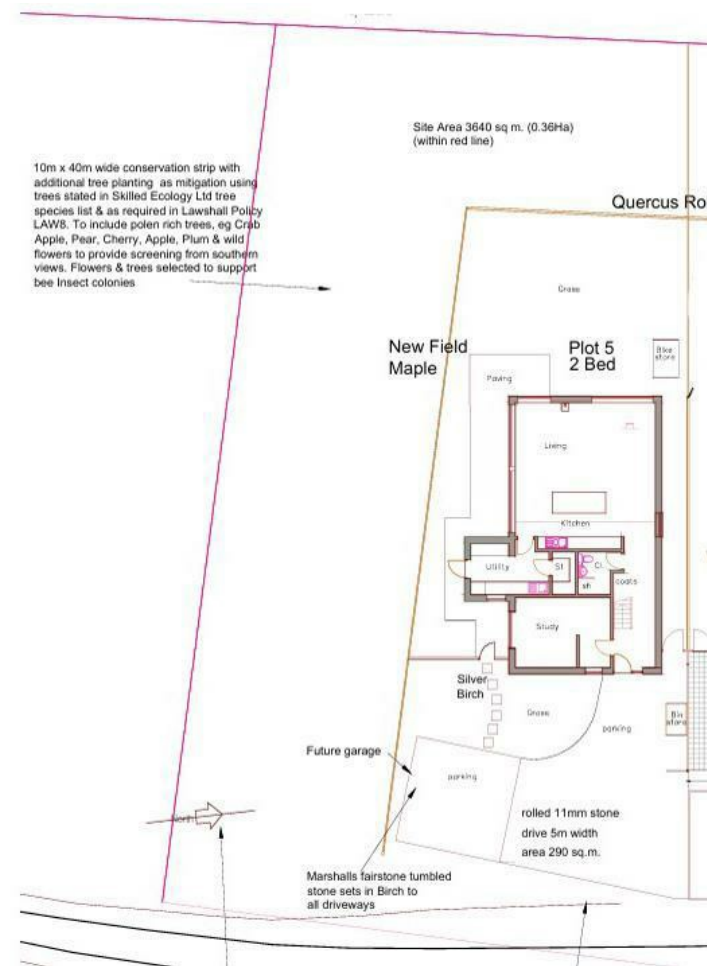

The approved plans allow for the construction of an attractive two-storey barn-style dwelling of around 1,900 sq. ft., featuring a slate roof and a stylish combination of zinc profiled sheet cladding and cream/grey stock brickwork, complemented by dark grey joinery.

Significant groundwork has already been completed, including foundations, blockwork to ground level, and the installation of main services.

Enjoying a delightful semi-rural setting and backing onto a paddock, the plot offers both tranquillity and convenience within easy reach of all village amenities in the desirable community of Lawshall, just a short drive from Bury St Edmunds and Sudbury.
