## General Information

The property occupies a pleasant setting within an established residential area on the western outskirts of the town. There are a range of local shops very close by and the property is also situated on a regular bus route. The town centre is around 1½ miles away and provides an excellent range of cultural, educational, recreational and shopping facilities.

Whether you are looking for the perfect place to retire to or just looking for a good sized family home, this CHAIN FREE detached chalet is bound to appeal. The property has been well maintained whilst still offering scope for some cosmetic updating. The accommodation has a light and airy feel and benefits from gas fired central heating and sealed unit glazing.

On the ground floor: The spacious reception hall has a staircase to the first floor and also gives access to the sitting room and kitchen. The sitting room is a bright dual aspect room and includes a gas flame effect fire. The kitchen/breakfast room is another dual aspect room with a range of fitted cupboards and worktop surfaces. There is ample appliance space and room for a good sized dining table. A door into the rear porch leads to the outside. An inner hallway gives access to a cloakroom and a separate bathroom. There are 3 ground floor bedrooms with the smallest having sliding patio doors to the rear gardens. This room could be used as a snug or separate dining room.

On the first floor: The loft space was converted some years ago to provide a large master bedroom with a window overlooking the rear garden and further Velux windows. A door leads into a large loft area – ideal for storage and offering the potential to become additional living space.

Outside.  
The gardens to the front of the property are planted with a wide variety of mature shrubs and trees. A driveway provides parking for a number of cars and gives access to the single garage.

The rear gardens are a lovely feature of the property and are of a generous size being laid mainly to lawn with a large patio. The gardens include a timber summer house and are planted with mature trees and a variety of specimen shrubs.
