## General Information

The bungalow occupies a pleasant non-estate setting on the western outskirts of the town. There is a bus stop near by and a parade of shops within easy walking distance. The town centre is less than 1.5 miles away and provides an extensive range of amenities.

As previously mentioned, this spacious detached bungalow has been well maintained and benefits from gas-fired central heating and uPVC windows and facias. We understand that the central heating was only installed in November 2022. Whilst the property is very clean and comfortable in its present state, the potential also exists for some updating making it something of a blank canvas.

The accommodation has large windows and a neutral colour scheme which adds to the overall feeling of light and space. In our opinion, the property would be perfect for those people in their more mature years or indeed anyone looking for a spacious detached home in a well served location.

In brief, the accommodation includes: Entrance hall, dual aspect sitting room with fireplace, fitted kitchen, 3 good sized bedrooms and large bathroom.

Outside. The property occupies a private position, set behind mature hedging. A driveway to the side provides ample parking and access to the single garage. A side gate leads to the enclosed west-facing rear gardens which afford an excellent good degree of privacy and seclusion. Laid mainly to lawn the gardens have a variety of mature shrubs and trees.
