## General Information

The property occupies a prime residential setting, just a short walk away from Waitrose, The Arc Shopping Centre and The Apex venue. Bury St. Edmunds offers an excellent level of recreational, educational and shopping facilities. The A14 provides a fast route to Ipswich, Cambridge and London via the M11.

The house, which benefits from gas fired central heating and part uPVC sealed unit glazing, is being sold with the benefit of having NO UPWARD CHAIN.

As previously mentioned, the property will require full renovation and refurbishment, including roofing, but has great potential to become a very comfortable home. In our opinion, the house would be perfect for anyone wanting to put their 'own stamp' on a property whilst significantly increasing its value. Once completed the house would be an ideal investment – particularly bearing in mind the strong demand for rental accommodation in the town.

On the ground floor: An entrance lobby gives access to the spacious sitting/dining room which has a central staircase to the first floor. The kitchen is of a good size but will require refitting. Leading off the kitchen is a shower room and rear porch.
