General Information

The bungalow occupies an established setting on the Western outskirts of the town, close to open countryside and within easy reach of shops and schools. The town centre is around 1.5 miles away and can be easily reached by car, bus or cycleway. The A14 is also easily accessed, providing a fast route to Ipswich, Cambridge and London via the M11.

As previously mentioned the property will require elements of updating, but does already have gas fired central heating and uPVC sealed unit glazing. In our opinion, the bungalow would be perfect for first-time buyers or those people looking to relax and enjoy their retirement.

The property provides a flexible layout with the choice of having the sitting room either at the front or the rear. There are 2 good sized bedrooms, a kitchen which will need refitting and a bathroom.

Outside

The gardens to the front of the bungalow have been hard landscaped for ease of maintenance. The rear gardens enjoy a sunny aspect and are planted with a variety of mature shrubs. There is a good sized patio and a pathway which leads to the single garage which is close by and has parking to the front.
