General Information

The property occupies a very pleasant setting, with views over the River Linnet. There are many local amenities close by: including schooling for all ages, a parade of shops, public house/restaurant and a regular bus service. The town centre is around a mile away and can be easily reached by road, footpath or cycleway.

Sometimes you visit a property and although it is a little dated in places, it still has a very comfortable feel and that is certainly the case with this CHAIN FREE semi detached home.

As previously mentioned the accommodation has a flexible layout with the opportunity to have a total of 4 bedrooms if required or extra reception space. The property benefits from gas fired central heating and mostly uPVC sealed unit glazing. The large windows and neutral colour scheme add to the feeling of light and space.

On the ground floor: The entrance hall with staircase and cloakroom off, leads to the large sitting room which has views over the rear gardens. The kitchen has ample cupboards, worktop surfaces and appliance space. A side door leads out to the driveway. The room at the front of the property is currently being used as a bedroom but could equally make an ideal separate dining room. Finally, the original bathroom has been converted into a wet room.

On the first floor: The landing area gives access to all 3 bedrooms. The main bedroom is of a very generous size and includes a large eaves storage space. Some neighbouring properties have added a dormer window to this area which would then either provide a dual aspect with views over the riverbank or indeed extra space for a spacious en suite.

Outside

The gardens to the front of the property have been mostly hard landscaped for ease of maintenance. A driveway to the side provides ample parking and leads up to the single garage.

The rear gardens have a south-facing aspect and afford a good degree of privacy and seclusion. Laid mainly to lawn, the gardens include a useful garden shed.
