This superbly presented detached bungalow has been thoughtfully refurbished over the last 7 years by the present vendors and now provides an excellent range of exceptionally comfortable accommodation.

Set in large established gardens, the bungalow enjoys a west-facing aspect with wonderful views across open farmland.

The property includes a large outbuilding, which is currently being used for recreation but could easily become a very spacious home office.

It is rare to find a property where the outside is every bit as impressive as the inside, making this lovely home a 'MUST SEE' for anyone who is looking for something rather special.

In more detail, the accommodation comprises:

The entrance hall leads into the kitchen and dining room. These 2 spaces are only separated by a central brick chimney feature, so they have the feel of something more open plan. The kitchen includes an extensive range of fitted units and worktop surfaces with an integrated dishwasher, fridge freezer and Smeg oven. Leading off the kitchen is an equally large utility room with further cupboards and a door to the outside - an ideal room for muddy boots and muddy paws!

There is also a double bedroom on this side of the bungalow, which has an en suite shower, making it perfect for guests. There is a further shower room leading off the entrance hall, which is of a good size and has been appointed to a high standard.

The dual aspect sitting room includes a large display and media wall with recessed lighting. French doors lead out onto the large decked terrace.

An inner hallway gives access to 2 further bedrooms. Bedroom 1 has a dual aspect and also has French doors to the outside - perfect for having your first coffee of the morning while enjoying the stunning views! Bedroom 2 includes a fitted wardrobe.

Outside: Both front and rear gardens are well stocked with a wide variety of shrubs and trees. A driveway to the side of the front gardens provides ample parking. A side access leads to the rear gardens, which feature a very large decked terrace which provides the perfect space for entertaining.

There is a large purpose-built outbuilding towards the right-hand boundary of the garden which is currently being used as a games room, gym and bar, but undoubtedly, this space could have a variety of uses. Finally, there is a covered pergola, which is the perfect space to relax and embrace such an idyllic setting.

Agents Note: There have been 2 sets of planning permission approved in the past for the substantial extension of the bungalow. Whilst these have now lapsed, it does indicate that the bungalow offers potential for extension if required.
