Risby is a thriving village just 3 miles to the west of Bury St Edmunds and has a variety of amenities including primary school, village hall, recreation ground, public house and garden/antiques centre. The A14 is within easy reach, providing a fast route to Ipswich, Cambridge and London via the M11.

As previously mentioned, Orchard House was built in 1939 and has since been extended and much improved. Whilst there is still potential for further extension, the existing property already offers a very comfortable range of accommodation which is well appointed throughout.

On the ground floor: The entrance hall gives access to the large bathroom and the spacious kitchen which is then open plan to a social dining area. An inner lobby with a staircase to the first floor also gives access to the sitting room and conservatory. The sitting room is dual aspect and includes a working open fireplace and part wood-panelled walls. The conservatory/garden room is a lovely space to sit and enjoy views of the gardens and is one of the many notable features of the house.

On the first floor: A spacious landing area with 3 built-in cupboards, leads to a cloakroom and all 3 good sized bedrooms.

Outside

To the front of the house are fence enclosed gardens which are laid to lawn and planted with a variety of shrubs and trees. A gravelled area provides ample parking and gives access to the large single garage which has a storeroom/workshop to the rear, which also houses the oil fired boiler serving the central heating.

A side garden with sheltered decked area provides yet another area to sit and relax and leads to the enclosed rear gardens which are again laid to lawn and include a timber Summer House. To the far side of the house is a further area of garden with an additional timber garden shed.
