Thetford is around 6 miles away.

As previously mentioned, the property is of an individual design and provides a good level of accommodation. Whilst the bungalow has been generally well maintained, potential now exists for a little updating making it something of a blank canvass. For those people looking for a larger property, we believe the bungalow also offers the opportunity to be extended, making it perfect for anyone wanting to enhance a home whilst significantly adding to its value.

The property, which is served by oil fired central heating and uPVC sealed unit glazing, is being sold with the benefit of having NO UPWARD CHAIN, although is subject to Probate which has already been applied for.
