General Information

The property occupies an established setting on the popular western outskirts of the town. This area is particularly well served and includes a parade of shops, a recreation area and a regular bus service. Open countryside is within easy reach and the town centre is around 1.5 miles away. Bury St. Edmunds offers an excellent range of educational, recreational and shopping facilities. The A14 provides a fast route to Ipswich, Cambridge and London (via the M11)

If you have been looking for a bungalow in a lovely location which offers good-sized bedrooms and lots of reception space, this property is a 'must see'. Whilst the bungalow has been well maintained it is perhaps a little dated in places making it something of a 'blank canvas' and perfect for anyone wanting to put their own ideas into a property whilst significantly adding to its value.

The accommodation has a bright and airy feel and includes 2 double bedrooms and 1 single room which would be perfect as a study. The kitchen has various fitted appliances including an oven, hob, dishwasher and fridge freezer. A notable feature of the bungalow is the spacious sitting room which opens up into the garden room. The garden room could easily be used as a dining room and has lovely views over the superb rear gardens.

The property is being sold with the benefit of having NO UPWARD CHAIN and served by gas fired central heating.

Outside

The gardens to the front of the bungalow have been mostly hard landscaped to provide ample parking and access to the long single garage. A side pedestrian access leads to the attractively landscaped rear gardens which enjoy a sunny aspect and afford an excellent degree of privacy and seclusion. The gardens are of a generous size and are planted with a wide variety of mature shrubs and trees.
