## General Information

The bungalow occupies a pleasant non-estate setting on the western outskirts of the town. There is a bus stop near by and a parade of shops within easy walking distance. The town centre is around 1.5 miles away and provides an extensive range of amenities.

As previously mentioned, this spacious detached bungalow has been well maintained and benefits from gas-fired central heating and uPVC windows and fascias. Whilst the property is very clean and comfortable in its present state, the potential also exists for some updating making it something of a blank canvas.

The accommodation has large windows and a neutral colour scheme which adds to the overall feeling of light and space. In our opinion, the property would be perfect for those people looking towards retirement or indeed anyone looking for a spacious detached home in a well served location.

In brief, the accommodation includes: Entrance hall, dual aspect sitting room with fireplace, fitted kitchen with side porch, 3 good sized bedrooms, cloakroom, shower room and conservatory.

Outside. The property occupies a slightly elevated position, set back from the road with the front gardens having been landscaped with artificial grass. A driveway provides ample off road parking and access to the single garage.

The rear gardens are fully enclosed and afford a good degree of privacy and seclusion. Laid mainly to lawn with a sheltered patio area. There is a useful workshop/store and a timber summer house.
