General Information

The property occupies a superb non-estate setting close to the village centre. The village of Fornham All Saints has a lovely traditional community feel and has various amenities including: public house/restaurant, coffee house, church and village hall with sports field. The town centre of Bury St. Edmunds is around 3 miles away. The A14 is also within easy reach and provides fast access to Ipswich, Newmarket and Cambridge.

If you have been looking for a home in a peaceful village setting, this CHAIN FREE detached house will certainly be of interest. The property, which was built in 1969 has been owned since new by the present vendors.

This much loved home has certainly been very well maintained, but is now perhaps ready for a little updating, making it perfect for anyone wanting to put their 'own mark' on a property whilst increasing its value. The house, which benefits from gas fired central heating and replacement uPVC sealed unit glazing and fascias, offers very well proportioned rooms with large windows adding to the feeling of light and space.

On the ground floor: The entrance hall gives access to the sitting room, separate dining room, kitchen and downstairs shower room. The sitting room is a lovely triple aspect room with a fireplace and patio doors leading into the gardens. The dining room has space for a large table and has views over the front gardens. The kitchen/breakfast room has ample cupboards, worktop surfaces and a breakfast bar. There is plenty of appliance space and a built-in double oven, hob and cooker hood. Leading off the kitchen is a useful utility room which has door to the outside and a Baxi gas fired boiler. A further door leads into an office/storeroom and in turn onto the double garage. This total area to the side of the house could in theory be converted to provide additional living space of annexe potential.

On the first floor: A light and bright landing area gives access to all 4 double bedrooms, a family bathroom and a separate cloakroom.

Outside

The gardens to the front of the house are of a very generous size and have been laid mainly to lawn. A driveway provides parking for a number of cars and gives access to the double garage which has light and power connected.

The rear gardens are one of the many lovely features of the house and afford a good degree of privacy. Laid mainly to lawn with a patio area the gardens are planted with a variety of shrubs and trees.
