General Information

The bungalow occupies a pleasant non-estate position close to the centre of the village. Stanton offers an excellent range of amenities including Primary School, Church, Mini Market, Post Office, Hairdressers, Public House, Petrol Station, Community Centre and Doctors Surgery.

The historic market town of Bury St. Edmunds is around 10 miles to the south, where you will find superb educational, recreational and shopping facilities. Diss is around 13 miles to the north and has a mainline rail link to London Liverpool Street.

The property, which is thought to have been built in 1977, has been completely refurbished within the last 6 months to an exceptionally high standard. The well-appointed accommodation has a bright contemporary feel and benefits from oil fired central heating, cavity wall insulation and new uPVC sealed unit glazing.

The layout has also been changed significantly providing well-proportioned rooms and a very social living space with double doors connecting the kitchen, dining and sitting room areas.

The kitchen includes a number of integrated appliances including a double oven, microwave, hob, cooker hood, dishwasher, washing machine and fridge freezer.

In our opinion, the bungalow would be perfect for family living, retirement or indeed anyone looking for a quality village home with a flexible layout and a contemporary yet very comfortable feel.

Outside

The gardens to the front of the bungalow have been hard landscaped to provide parking for a number of cars. A side access leads to the enclosed rear gardens which have just been seeded to provide a good-sized lawn.

Council Tax Band C.
