General Information

The house is pleasantly situated within the popular Tayfen Meadow Development, which is attractively landscaped and ideally located to access the town centre and train station on foot or by cycle. Bury St Edmunds offers a superb range of Schooling, shopping, leisure and cultural facilities. The A14 is also within easy reach, providing links to Cambridge, Ipswich, Norwich, London and Stansted Airport via the A11/M11.

This extended house offers well-proportioned accommodation and is decorated in neutral colours, adding to the feeling of light and space and providing a stylish contemporary feel. On the ground floor, the entrance hall gives access to the cloakroom, kitchen and sitting room, which features a gas flame effect fire.

The superb dining/family room extension has a vaulted ceiling, with Velux windows and bi-folding doors. This area enjoys excellent levels of natural light and is open plan to the beautifully fitted kitchen, making the whole of the ground floor perfect for entertaining and modern family living.

On the first floor, there is a master bedroom with ample built-in storage and en suite. There are a further two bedroom and a family bathroom. The house is served by gas fired central heating and Upvc sealed unit double glazed windows.

In our opinion, this property would particularly suit those downsizing from a larger family home and appreciate a spacious level of ground floor accommodation in a superb setting..

Outside

Originally designed as an open carport to the side of the house, the current owners have fitted an electrically operated roller door to the front and double opening timber doors to the rear, providing secure parking and storage. The attractive fence enclosed rear garden is laid mainly to grass bordered by mature shrub beds. A large patio is situated to the rear and side of the house and there is a good size timber shed.
