## General Information

The property occupies a prime edge of development setting, facing open countryside and within easy reach of all amenities. Stanton offers an excellent range of amenities including Primary School, Church, Mini Market /Post Office, Hairdressers, Public House, Petrol Station, Community Centre and Doctors Surgery. The historic market town of Bury St. Edmunds is around 10 miles to the south and Diss is around 13 miles to the north.

The property was built in 2015 and has been owned since new by the present vendors. In our opinion, the house offers larger rooms than are often associated with new homes – making it perfect for family living.

The welcoming entrance hall has a cloakroom off and leads through to the sitting room. The modern kitchen/breakfast room has ample cupboard and worktop space and includes an integrated fridge/freezer, dishwasher, washing machine, gas hob and oven. The separate dining room, with patio doors to the rear garden, is currently being used as a second family room. Upstairs is the master bedroom with an ensuite shower room. There are 3 further bedrooms, 2 of which are doubles, and the family bathroom.

The property is served by gas fired dual zone central heating and uPVC sealed unit double glazing. Given the modern high standards of construction, the house is very energy efficient, as indicated in the EPC report.

### Outside

As previously mentioned, the front of the house overlooks open farmland with the small open plan front gardens being mostly hard landscaped for ease of maintenance. The rear gardens afford a surprisingly good degree of privacy and are a little larger than many other plots on the development. Laid mainly to lawn with a sheltered patio area, the fence-enclosed gardens include a side gate leading to the open cart lodge and a further parking area.

Agents note: As is common with many modern developments, there is an annual maintenance charge of approximately £210 per annum which covers the cost of maintaining all communal landscaping – keeping the development smartly presented.
