General Information

The property occupies a cul de sac setting on the Moreton Hall development, which is situated on the eastern outskirts of the town. The immediate area is extremely well served with a range of amenities including, primary school, upper school, church, public house, coffee shop, post office, doctor surgery, community centre, sports centre and Tesco Express store. The town centre can be easily reached by car, foot or numerous cycle-ways.

As previously mentioned this well located home has been substantially extended to the rear and is somewhat larger than you might expect. The house, which benefits from gas fired central heating and uPVC sealed unit glazing has been lovingly restyled by the present owners and is offered for sale in first class condition throughout. In our opinion, the house would be ideal for a growing family or indeed anyone looking for a sound investment purchase.

On the ground floor: The entrance hall with cloakroom off, gives access to the kitchen and dining room. The kitchen has been fitted with an excellent range of units and worktop surfaces. There is a breakfast bar and ample appliance space, together with an integrated fridge freezer, wine fridge, dishwasher, oven, hob and cooker hood. The dining room is of a very generous size, as it was the original sitting room and has 2 openings into the sitting room extension. The sitting room is a lovely family space with a stylish woodburner providing a focal point and large glazed doors opening out into the rear garden.

On the first floor: A light and bright landing area gives access to the modern bathroom and 3 good sized bedrooms. Bedrooms 1 & 2 are comfortable double rooms and each have built-in wardrobes.

Outside

The property faces a small green area with a side pedestrian access leading to the enclosed gardens. The gardens have been hard landscaped for ease of maintenance and include a fully insulated home office building, making the property ideal for the many of us who now work from home. Behind the house are 2 allocated parking spaces and there is a further parking space to the front which the vendors use.
