General Information

As previously stated, the house occupies a superb position on the original Hopkins Homes development known locally as Drovers Mead - considered to be one of Moreton Hall's most desirable locations.

The immediate area is extremely well served with a range of amenities including, primary school, secondary school, sports complex, church, public house, coffee shop, post office, doctors surgery, community centre and Tesco Express store. The town centre can be easily reached by car, bus, foot or numerous cycle-ways. The A14 is also easy to access and provides a fast route to Ipswich, Cambridge and London via the M11.

The property offers very well-proportioned accommodation with good ceilings heights adding to the feeling of light and space. In our opinion, this house would be perfect for a growing family or indeed anyone looking for a stunning home, in a private yet well-served location.

On the ground floor, the accommodation comprises an entrance hall, cloakroom, study, sitting room with feature fireplace, separate dining room, utility and a 17ft kitchen/breakfast room with french doors opening onto the rear garden.

On the first floor, there is a spacious landing area, a master bedroom with built-in wardrobes and en suite bathroom, 2 further double bedrooms with built-in wardrobes, and a large family bathroom.

On the second floor, bedroom 2 is of a particularly good size, with access to the mainly boarded loft with fitted loft ladder and light. There is a further double bedroom and a separate shower room.

The house benefits from a water softener, sealed unit double glazing and gas central heating serving radiators. The gas boiler was replaced in December 2020. For peace of mind, there is the further benefit of an alarm and CCTV security system.

Outside
The property is well screened from the road and accessed by a shared gravel drive. Set back behind an attractive picket fence, the drive provides parking for several vehicles and gives access to the detached garage, which has light and power connected.

The rear gardens have been attractively landscaped and enjoy a good degree of privacy. Laid extensively to lawn with a patio terrace and further tucked away areas, the gardens provide the perfect space for relaxing and entertaining.

Directions
From the town centre proceed along Angel Hill crossing over the traffic lights into Mustow Street and Eastgate Street. At the mini roundabout bear right onto Barton Road. At the T junction turn right into Orttewell Road. Continue straight over the next 2 roundabouts, turning left at the 3rd roundabout onto Drovers Avenue. Take the next right turning onto Daisy Avenue, following the road to the left.
