*A beautifully presented 4 bedroom,  
3 bathroom modern townhouse with  
garage and parking*

Larger than you might expect! This spacious modern townhouse was built in 2010 and has recently been updated by the present vendors. It has an open-plan kitchen-living area downstairs and a pleasant family room on the first floor. There are 4 bedrooms in total including a superb master suite with dressing area.

The flexible accommodation would be perfect for family living and measures approximately 1420 sq feet internally - so no small rooms here! The property would also be a popular choice with landlords/investment buyers with an expected monthly rental value of around £1,600 PCM.

Set in low maintenance gardens with a single garage and 2 off-road parking spaces the house occupies a convenient location, perfect for a commuter with very easy access to the railway station and town centre, or further afield via the A14.
