General Information

The Pines occupies a non-estate position close to the centre of the village. Badwell Ash is a pretty Suffolk village with a thriving community. There is an excellent village store and public house. The nearby village of Walsham Le Willows offers a wider range of amenities. There is a regular bus service to Bury St. Edmunds which is around 11 miles away and offers an extensive range of Educational, Recreational and Shopping facilities.

Once in a while, we take a property onto the market which surprises even us! – and that is certainly the case with this deceptively spacious home. The front elevation gives little indication of how much space this bungalow actually offers, making an internal viewing essential.

The bungalow has been substantially extended to the rear providing either a separate annexe or additional living space. The flexible nature of the accommodation may also suit those people looking for a home office or studio.

The bungalow has a very light and airy feel with many rooms having a dual aspect. The property is currently served by electric heating and uPVC sealed unit glazing.

Outside

The property is set back from the road with a long driveway providing parking and turning for a number of cars and access to the carport. The remainder of the front gardens are enclosed by mature hedging and are laid to lawn with mature shrubs.

The rear gardens enjoy a high degree of privacy and seclusion being again laid to lawn with a paved patio area and useful garden shed.
