General Information

As previously stated, the house occupies a superb position on the original Hopkins Homes development known locally as Drovers Mead – considered to be one of Moreton Hall's most desirable locations.

The immediate area is extremely well served with a range of amenities including, primary school, secondary school, sports complex, church, public house, coffee shop, post office, doctors surgery, community centre and Tesco Express store. The town centre can be easily reached by car, bus, foot or numerous cycle-ways. The A14 is also easy to access and provides a fast route to Ipswich, Cambridge and London via the M11.

The property offers very well-proportioned accommodation with good ceiling heights adding to the feeling of light and space. In our opinion, this house would be perfect for a growing family or indeed anyone looking for a stunning home, in a private yet well-served location.

On the ground floor, the accommodation comprises an entrance hall, cloakroom, study, sitting room with feature fireplace, separate dining room, utility and a spacious kitchen/breakfast room with french doors opening onto the rear garden.

On the first floor, a light and bright landing area gives access to the master bedroom which has a dressing area and an en suite bathroom, there are 2 further double bedrooms with built-in wardrobes, and a large family bathroom.

On the second floor are 2 further double bedrooms and a separate shower room.

The house benefits from sealed unit double glazing and gas central heating serving radiators. We understand that the gas boiler was replaced in 2021.

Outside

To the front of the house are small lawned gardens bordered by hedging. A gravelled driveway provides ample parking and access to the double garage which has 2 electrically operated doors, a side courtesy door, eaves storage and light and power connected.

A side gate leads to the enclosed rear gardens which afford a surprising degree of privacy and seclusion. The gardens have been beautifully landscaped by the owners and include a wide variety of specimen shrubs and trees. There is a good-sized lawn, extensive patio and a raised ornamental pond.
