General Information

The property occupies a superb non-estate setting bordering open countryside. Drinkstone is a pretty Suffolk village with a strong sense of community and features a parish Church and an impressive village hall. The larger well served village of Woolpit is situated just under 2 miles away where a wide range of facilities can be found, which include a primary school, health centre, community centre, church, public house and a range of shops including a post office, mini-market, fish and chip shop and hairdressers. Drinkstone is situated approximately 9 miles east of Bury St. Edmunds and just 6 miles west of Stowmarket, which has a mainline rail link to London Liverpool Street.

We loved everything about this impressive bungalow and are confident you will too. From the moment you step inside, you will appreciate that the present vendors have maintained the property to a high standard. The accommodation, which benefits from oil fired central heating, solar panels and uPVC sealed unit glazing, has a neutral colour scheme and large windows which bathe the property in natural light. The bungalow offers a flexible layout and could even be adapted for anyone looking to create an annexe.

The entrance porch and entrance hall give access to the dual aspect sitting room which is of a very generous size and includes a vaulted ceiling, glazed doors to the garden, access to the dining room and an attractive wood/multi fuel burner. The kitchen/breakfast room includes extensive cupboards, worktop surfaces and appliance space. There is an integrated dishwasher, fridge, water softener, induction hob and double oven. A glazed door leads into a small conservatory.

The main bedroom is located at the far end of the bungalow and has a vaulted ceiling, split level floor and a smart en suite shower room. Bedroom 2 also has an en suite shower room making it ideal for guests. Bedroom 3 could also take a double bed if required. The study is also of a good size and gives access to the master bedroom, but could be divided with a hallway to make a separate 4th bedroom. Finally, there is a large family bathroom.

Outside

The outside space of the bungalow is every bit as impressive as the inside and includes a large driveway providing ample parking and access to the double garage. The bungalow is pretty much hidden from the road, set behind mature hedging and affording an excellent degree of privacy and seclusion. The gardens are laid mainly to lawn and planted with a huge variety of specimen shrubs and trees.

Immediately behind the bungalow is a paved area with a pergola, shed, woodshed. To the far side of the garden is a greenhouse and a large natural pond which is owned approximately 2/3rds by Brookside and 1/3 by the bungalow to the rear. This is a very pretty feature of the garden although is currently dry due to the recent long spell of dry weather.
