General Information

The property occupies a pleasant non-estate setting in the popular village of Great Barton. The village offers an extensive range of local amenities including a superb primary school, general store, church, public house and village hall. The historic market town of Bury St. Edmunds is less than 2.5 miles away, offering excellent shopping, recreational and educational facilities. The property is also well located for those requiring good access to the A14, which provides excellent links to Cambridge and London/Stansted Airport via the A11/M11.

As previously mentioned, Hedgerows has recently been completely refurbished – which means you can enjoy the contemporary styling and open plan living of a new build alongside all the benefits of having an established location and good sized gardens. The present vendors originally intended this to be their 'forever home' and have therefore added extra finishing touches such as engineered oak flooring to the ground floor, and oak internal doors. In addition, the kitchen, utility, shower room, en suite and family bathroom have all been remodelled to a high standard.

The accommodation, which benefits from gas fired central heating and uPVC sealed unit glazing, has been rewired and includes recessed spotlighting to many rooms and USB ports to many sockets. The property is particularly well furnished for storage with 4 cupboards in the hallway, 2 on the landing and fitted wardrobes in bedrooms 1 and 2.

On the ground floor: A spacious hallway gives access to the impressive open plan living space with dining area and family space with a newly installed woodburner. Patio doors open up onto the rear gardens. The kitchen has been beautifully designed and includes a large central island/breakfast bar making this a very sociable space. There is a separate utility room which has a further door to the outside. Finally, there is a spacious shower room and 2 double bedrooms. The vendors are currently using one of these bedrooms as a large home office.

On the first floor: A very spacious landing area gives access to the 3 remaining bedrooms and the family bathroom. The master bedroom has a front facing aspect and includes built-in wardrobes and a smart en suite shower room. Bedroom 2 and 3 are both double bedrooms and the family bathroom has a stylish white suite.

Outside

The property is set back well from the road with an 'in and out' driveway providing extensive parking and giving access to the triple length garage. A side access leads to the enclosed rear gardens which include a newly laid patio terrace which is of a very generous size and provides the perfect space for entertaining. The remainder of the gardens are laid to lawn and include a useful garden store.

Directions

From Bury St. Edmunds proceed north along the A143 Diss Road. On reaching Great Barton continue into the village centre turning left into School Road. The property will be found on the left hand side, BEFORE the turning for Conyers Way.
