General Information

The property occupies a pleasant position just off the village green and within easy reach of all local facilities. Barrow is a particularly popular village which boasts a number of local amenities including 2 village shops, public house, restaurant, primary school, Church and village hall. The village is conveniently situated approximately 5 miles to the west of Bury St. Edmunds and has fast access to the A14, leading to Ipswich, Cambridge and London via the A11/M11.

As previously mentioned, the property was constructed in 2015 by Hopkins Homes who are renowned for building quality homes of character. The house is served by oil-fired central heating and uPVC sealed unit glazing.

Estate agents can sometimes be guilty of overstating how lovely a house is, but in this instance, it would be impossible to do so. From the moment you step inside you will appreciate just how well maintained the property is and the interior design makes this house feel like a much-loved home.

On the ground floor: The entrance hall, with cloakroom and stairs off, leads into the sitting room which is of a generous size and has a door leading into the garden. There is ample space for a dining table and a large built-in cupboard. The kitchen is beautifully fitted with ample cupboards and worktop surfaces. There is an integrated double oven, hob and cooker hood, together with plenty of appliance space.

On the first floor: A spacious landing area gives access to all 3 bedrooms and the family bathroom. Bedrooms 1 & 2 are comfortable double rooms, each with built-in cupboards. Bedroom 3 is a single room which is currently being used as a home office.

Outside

The front gardens are of open plan design and include an area of lawn. A driveway providing parking for at least 2 cars leads up to the single garage which has light and power connected and a side courtesy door.

A side gate leads into the enclosed rear gardens which are of a very good size for a modern house and also afford an excellent degree of privacy and seclusion. Laid mainly to lawn with planted borders the gardens also include a sheltered decked terrace, providing the ideal spot for alfresco dining.
