Grove Cottages Spring Road

East Ipswich, IP4 2RS

Offers in excess of £260,000

The front garden has ample driveway blocked paved parking, there is a sturdy side access gate which leads to the most delightful of gardens which from spring until autumn are completely un-overlooked from the rear and are an absolute delight. They are full of established trees, shrubs, bulbs, flowers and plants. The main additional bonus is a large double sized cabin room which is supplied with light and power and even has its own hot water. This comprises of a spacious 12'10" x 11'2" lounge plus a south facing kitchen and separate bedroom plus eaves storage space. In the garden there is also a large timber shed to stay.

In recent weeks the property has undergone some refurbishment which includes all the guttering and windows have been cleaned. The garden has been extensively weeded and cleared up, a walnut tree has been cut back and shaped, the property has been re-decorated internally, the woodburner has been swept and cleaned and comes with a certificate, the central heating boiler has been serviced and all the electrics have been checked to confirm ok. The lead water pipes have been replaced.

The property is ideally positioned for the best of both worlds and rarely comes onto the market so an early internal viewing is highly advised.

The property is approached from Spring Road via a driveway which provides access to the cottage. The garden commences with a shingled area with an outside tap, outside double power point and access from the front garden is via a sturdy wooden gate. The garden is enclosed by good condition panel fencing on all sides, there are two brick built out houses with wooden doors. The vendors think there may be a possibility this could be reinstated to a garden toilet if required.
