Property Services

18 Bromleigh Drive, Coventry, CV2 5LX

Offers Over £365,000

A beautifully presented and deceptively spacious four-bedroom traditional family home, offering stylish and versatile accommodation throughout. This is a truly exceptional property that has been renovated to a superb standard and is certain to impress from the moment you step inside. Situated on the highly regarded Bromleigh Drive in the popular Copeswood area, the property enjoys a convenient location close to a wide range of local amenities, excellent schools, and transport links, making it ideal for families and commuters alike.

The accommodation begins with a welcoming entrance hallway leading to the ground floor living space. The spacious open-plan living and dining room is bright and airy, featuring a beautiful fireplace that creates a wonderful focal point and provides the perfect setting for both relaxing and entertaining. To the rear of the property is a generously sized breakfast kitchen, ideal for family meals and keen cooking enthusiasts. A separate utility room provides additional practicality and leads through to a modern ground-floor shower room and w.c. The first floor offers four well-proportioned bedrooms. There are two generous double bedrooms flooded with natural light, while the third double bedroom is currently utilised as a dressing room. The fourth bedroom is currently used as a home office, providing flexible accommodation to suit a variety of needs. Completing this floor is a spacious and contemporary family bathroom. A staircase rises to the loft room, which offers fantastic additional space and useful storage. The room is currently used as a bedroom; however, prospective purchasers should note that it was converted prior to the current ownership and does not have formal building regulations approval. Externally, the property continues to impress. Beautifully maintained, low-maintenance rear garden is a real suntrap, featuring dual patio areas, the front driveway offers convenient off street parking.

Internal viewing is a must!
