This beautiful semi-detached property has been owned by the same family since originally built – It's seen many changes and styles over the years but there's one thing that hasn't changed – it's truly a fantastic family home. It offers lots of space – and more potential for a growing family. Fully renovated two years ago, it's literally a home to move straight into! Even better still, it's being offered with NO CHAIN Located in the heart of Ernesford Grange you are surrounded by a whole host of local amenities, with excellent schools and just minutes away from Coventry University Hospital, Jaguar Landover, Business Parks and major road networks A46 & A45

As soon as you step inside, you'll notice the fresh, modern and homely feel to this property. The property has a lovely flow on the ground floor, starting with the lounge to the right of the hallway which opens up into the dining area, both flooded with natural daylight from the large window and patio doors. Continue into the kitchen area which is fully kitted out with modern shaker style storage units. Need a quick snack? Take five at the handy breakfast bar and enjoy the garden views.

Off the kitchen is a fabulous utility area which is a great place to hang up those coats and store shoes / school bags etc. There is also space for your washing machine and tumble dryer – a convenient cloakroom also makes great use of this practical space. If that's not enough, there is a door through to the integrated garage. For those that like to tinker with cars, this garage is just the job with its very own mechanic pit and access from the front drive way.
