The Agent that goes the Extra Mile

Situated in the sought-after Hakin area of Milford Haven, located within easy reach of Hakin's local amenities, schools and Milford Haven town centre and Marina. 41 Picton Road is a detached family home offering well-proportioned accommodation, original character features and established gardens. Arranged over three floors, the property combines two reception rooms, three bedrooms and a versatile loft room with off-road parking and a detached garage.

The accommodation is entered through a porch into the entrance hallway, where a feature staircase and original parquet flooring beneath the carpets add to the character of the home. A ground-floor WC is accessed from the hallway, along with the dining room, which opens through to the lounge. The lounge features an original brick fireplace with a gas fire, creating a focal point to the room. The kitchen, which has been extended over time, overlooks the garden and is fitted with a range of grey wall and base units, wood-effect worktops and a breakfast bar. It also houses the gas combination boiler and provides access to the patio and garden.

The first floor comprises two double bedrooms, a third bedroom which could alternatively be used as a study, and a family bathroom. A further staircase leads to the loft room, currently used as a snug, offering additional flexibility for a variety of uses. The property also benefits from useful storage throughout, gas central heating, double glazing and sola panels. No Onward Chain.

Externally, the property occupies an established plot with a driveway providing off-road parking and access to the detached garage. The front garden is laid to lawn with mature planting, while access to either side of the house leads to the enclosed garden, which features lawned areas, a patio, raised borders and a garden shed. The garden provides space for outdoor seating, gardening and family activities, with mature hedging and trees contributing to its private setting. Viewing is highly recommended!
