Situated in the village of Houghton, The Relm is a detached three-bedroom bungalow offering well-proportioned accommodation, established gardens and a detached garage. The property provides an opportunity for a purchaser to update and personalise the accommodation, while benefiting from a practical single-storey layout and a range of useful additional spaces.

The property is approached through an entrance porch which opens into an extended entrance hall, providing access through to the main accommodation. The lounge enjoys windows to two aspects, allowing plenty of natural light into the room, and features a stone fireplace as its focal point. The kitchen/dining room provides space for both cooking and dining, with a range of fitted wall and base units and a window overlooking the garden.

There are three bedrooms, each accessed from the central hallway, together with a family bathroom fitted with a bath, wash hand basin and WC. To the rear of the bungalow is an additional lobby/shower room, providing useful supplementary facilities and access towards the rear of the property. A separate utility room and WC further enhance the practicality of the accommodation.

Externally, the property is complemented by established gardens, with a substantial lawn bordered by mature shrubs and planting, providing plenty of scope for a new owner to develop the outside space to suit their requirements. A driveway leads to the detached garage, providing off-road parking together with additional storage or workshop potential. With its three-bedroom layout, detached garage, gardens and scope for modernisation, The Relm presents an opportunity for buyers looking for a detached bungalow that they can update and make their own. NO ONWARD CHAIN.
