Milford Haven has the largest port in Wales and the third-largest port in the United Kingdom. It also has a popular Marina with accompanying Restaurant, Wine Bar, and boutique shops. The town itself has a historic late 18th and 19th centuries core based on a grid pattern, located between Hubberston Pill and Castle Pill and extending inland for 500 metres. Milford Haven's 20th-century expansion took in several other settlements. Hakin and Hubberston are older and situated to the west of the main town.
