The Agent that goes the Extra Mile

35 Romilly Crescent is a well presented semi detached house located in Hakin, convenient to Milford Haven where everyday amenities and public transport links are available. The property spans over three storeys, the layout briefly comprises of an entrance hall with a cloakroom and three bedrooms (one with a Juliette balcony overlooking the garden) on the ground floor. On the lower ground floor is a utility room, and an open plan living room with kitchen/diner, with patio doors leading to the rear garden. On the first floor there is a master bedroom with en-suite bathroom with a feature freestanding bath, a further double bedroom, and a family shower room. The property is in a good decorative order with gas central heating and double glazing.

Externally, there is a driveway providing off road parking to the front. To the rear is a tiered garden with a boundary fence and pedestrian side access. The top tier is laid to Astro-turf and patio for easy maintenance.

A great family home, viewing is highly recommended!

Milford Haven has the largest port in Wales, and the third largest port in the United Kingdom. It also has a popular Marina with accompanying Restaurant, Wine Bar, and boutique shops. The town itself has a historic late 18th and 19th centuries core based on a grid pattern, located between Hubberston Pill and Castle Pill and extending inland for 500 metres. Milford Haven's 20th century expansion took in several other settlements. Hakin and Hubberston are older, and situated to the west of the main town. The town also benefits from a variety of shops and services.

DIRECTIONS

From our Milford Haven Office, continue down the hill and turn right onto Hamilton Terrace. At the roundabout, take the first exit and continue over the bridge, taking the first right turn into Romilly Crescent, where the property will be found on the right hand side.
