The Agent that goes the Extra Mile

Occupying approximately 0.36 acre plot Rooks Drift is a detached four bedroom family home situated in the sought-after area of Blackbridge, nestled alongside woodland and the Pill Estuary on the outskirts of Milford Haven. Offering generous gardens, versatile living accommodation and ample off-road parking, this property combines a peaceful setting with convenient access to local amenities.

The accommodation is entered via a welcoming hallway, providing access to the ground floor rooms. To the front of the property is the spacious sitting room, creating a comfortable living space. Adjacent is a separate study or playroom. Continuing through the hallway is the dining room, providing an ideal space for family meals and entertaining. The kitchen is fitted with a range of wall and base units together with a central island offering additional preparation space and informal seating. French doors open directly onto the rear garden, allowing plenty of natural light. Completing the ground floor is a useful cloakroom / shower room.

The first-floor landing leads to four well-proportioned bedrooms, including a master bedroom overlooking the gardens. The family bathroom is fitted with a freestanding bath, separate shower enclosure, wash hand basin and W.C. A further staircase leads to a loft room on the second floor with a storage cupboard.

Externally, the property occupies a substantial plot extending to approx. 0.36 acres. To the front is driveway parking for approximately four vehicles, together with four allocated parking spaces situated directly in front of the property. The impressive rear garden is predominantly laid to lawn with mature trees, established shrubs and a woodland backdrop, creating a private outdoor space. Further benefits include gas central heating, double glazing and solar panels. Viewing is highly recommended to appreciate the spacious accommodation, generous gardens and unique location that Rooks Drift has to offer.
