The Agent that goes the Extra Mile

Description

Welcome to Florentine House, an impressive link-detached, three-storey residence set in a waterside position at the end of a no-through road, offering the rare advantage of minimal passing traffic. This exceptional property presents an ideal family home for those seeking to enjoy the ever-changing scenery of the Milford Haven Waterway.

The accommodation is thoughtfully arranged and begins with an inviting entrance hall, complete with a cloakroom and access to the integral double garage. Steps lead down to the lower ground floor, where the dining room and kitchen are situated. Here, French doors open onto the garden, while the kitchen enjoys delightful direct water views.

On the first floor, an open-plan living room features a bay window and French doors that open onto a balcony, creating a wonderful space to relax and take in the surroundings. A split-level landing leads to the principal bedroom, which benefits from a dressing room and en-suite shower room. Two further bedrooms and a well-appointed family bathroom, including a separate shower, complete the accommodation. The property is enhanced by gas central heating, double glazing, and captivating views from all rear-facing rooms.

Externally, the front of the property provides access to the integral garage and off-road parking, with additional on-street parking available nearby. To the rear, the low-maintenance, tiered garden is attractively arranged with decorative stone, established shrubs, and bedding plants. A patio seating area sits directly outside the dining room, sheltered by the balcony above—an ideal spot for outdoor dining and relaxation.

This truly unique home offers a rare combination of space, setting, and scenery—early viewing is highly recommended.

Location

Milford Haven has the largest port in Wales, and the third largest port in the United Kingdom. It also has a popular Marina with accompanying Restaurant, Wine Bar, and boutique shops. The town itself has a historic late 18th and 19th centuries core based on a grid pattern, located between Hubberston Pill and Castle Pill and extending inland for 500 metres. Milford Haven's 20th century expansion took in several other settlements. Hakin and Hubberston are older, and situated to the west of the main town. The town also benefits from a variety of shops and supermarkets, leisure centre, primary and secondary schools, and the Torch Theatre and Cinema.
