The Agent that goes the Extra Mile

Welcome to Crediton House, located in the popular area of Great North Road, within walking distance of the town centre, promenade, and public transport links. This mid-terrace Edwardian townhouse retains many original features, including high ceilings with coving, bay windows, detailed tiling in the entrance vestibule, and a stained glass door. The property is being sold with the huge appeal of no onward chain.

The layout of the property briefly comprises an entrance vestibule leading through to the inner hallway, an open-plan living room and dining room, a further reception room, and a kitchen boasting a walk-in pantry and a sink with a double drainer. The stairs lead up to a split-level landing, the first level giving access to a bedroom and wet room. The second level leads to the master bedroom, which boasts double fronted windows, and a further double bedroom. The property is served by gas central heating and hardwood glazing.

Externally, iron railings and a gate lead to the frontage, giving separation between the front door and the pavement. At the rear is a well-maintained lawned garden and patio seating area, progressing onto a hardstanding with space for a greenhouse and a pedestrian gate leading to a rear lane.

This is a generous family home bursting with original charm – a must-see!

Milford Haven has the largest port in Wales and the third-largest port in the United Kingdom. It also has a popular Marina with accompanying Restaurant, Wine Bar, and boutique shops. The town itself has a historic late 18th and 19th centuries core based on a grid pattern, located between Hubberston Pill and Castle Pill and extending inland for 500 metres. Milford Haven's 20th-century expansion took in several other settlements. Hakin and Hubberston are older and situated to the west of the main town.

DIRECTIONS

From the Milford Haven office proceed up Charles Street away from the town centre until you reach the T-junction onto Great North Road, Turn left here and the property will be found shortly after on the right hand side. What3Words:///innovate.racetrack.variety
